

More specialty care choices in Savage.

Now offering chiropractic care.

INSTITUTE FOR ATHLETIC MEDICINE®

Welcome Cara Borggren, Doctor of Chiropractic

The Institute for Athletic Medicine is now offering a chiropractic care option in Savage. This new service is an excellent resource for your patients that prefer a more conservative approach to treatment. Dr. Borggren works together with physicians and our experienced therapy team to treat a variety of musculoskeletal conditions and restore function. The result is whole-body healing and optimal health for your patients.

Special interests include:

- Neck and back pain, both acute and chronic
- Disc herniation
- Headaches
- Extremity pain and injuries
- Musculoskeletal conditions
- Pregnancy-related back pain

Chiropractic hours:

Tuesdays 7:30 a.m. - 2 p.m.

Thursdays 4 - 7 p.m.
